Report of Superintendent of Schools

To the School Committee:

I hereby submit my fourth annual report as superintendent of your schools. The work of the year has progressed normally and satisfactorily. You will find special reference to the health and music programs in the reports of Miss Austin and Mr. Bone.

The number of pupils remains almost stationary. On October 1, 1933 the enrolment in grades one to eight was 8, 5, 0, 8, 1, 2, 5, and 3 respectively. This is a total of 32, compared with 33 and 31 in the two years previous. Fourteen pupils are attending the Belchertown high school. Reports sent me indicate that most of them are doing creditable work. It is extremely doubtful if pupils should be allowed to continue in high school unless they are passing in three or more subjects.

The teachers have been asked to encourage a more general use of the library facilities. This is for the purpose of getting the children to formulate good habits of reading for pleasure and benefit, and to associate the public library in their minds with interesting books. Some children will use the library without urging, while others need encouragement from teachers and parents. We want all children from the fourth grade up to do some suitable outside reading. We are not encouraging high individual records. The results of the fall term are gratifying. All Greenwich pupils above the third grade read from three to twenty-four books, averaging ten each.

The reading course has been materially improved by the addition of science readers in grades one to six. With the enormous amount of knowledge available in this age, we must introduce more of it into the lower grades. We must give pupils a little less of the make-believe and a little more of the interesting and valuable material which will help them understand and appreciate the world about them.

FLAVEL M. GIFFORD

Superintendent

Report of Supervisor of Music

To the Superintendent of Schools:

I am pleased to submit favorable report on the year's work in the schools of Greenwich.

The interest in music manifest at the Village school, which is made up of boys with one exception, is especially commendable. This improvement has been due in a large measure to the use of the piano which we acquired a short time before graduation this year.

It seems fitting at this time to pay tribute to the splendid work done at the Plains school, due in a large measure to the conscientious efforts of Miss Gurney. With such a happy musical experience in the lower grades, music itself becomes a definite part of the lives of these young people.

May I express my deep appreciation to all who have helped to make this year both successful and pleasant.

JOHN T. BONE

Supervisor of Music

Report of School Nurse

To the Superintendent of Schools:

I submit the following report as school nurse in the town of Greenwich.

Forty-three schoolroom visits and five home visits were made during 1933. Communicable diseases were reported as follows: Pink eye 1, measles 14, impetigo 1, and chicken pox 1. The pupils were weighed and were given individual inspection five times during the year.

The teachers have a regular morning inspection of pupils, and a definite period is allotted for instruction in health matters. The hand-washing facilities and the simple window-board type of ventilation in use are, I believe, to be commended.

The annual Health Day exercises were held in May. An interesting feature of the program was the "House of Health" built by the primary children.

The Health Tags issued by the Massachusetts State Department of Health were awarded to pupils as follows:

Physically Fit Tags to 13 children of average weight and without physical defects.

Teeth Tags to 5 children having dental certificates.

Improvement Tags to 18 children for improvement in health habits or weight.

In June the summer-round-up was held. Three pupils were examined by Dr. Segur, and notices of physical defects were sent to parents. Parents were also informed in regard to protective immunization and vaccination.

In October the annual physical examinations were given by Dr. Segur, assisted by the school nurse. Thirty-one were examined, and thirty were found to have defects. Parents were notified of all defects found, which were as follows: Posture 1, teeth 24, throat 12, nose 1, glands 6, heart 1.

In November a dental clinic was held under the auspices of the Hampshire County Chapter of the Red Cross, as was done last year.

The clinic report is as follows: Children examined 28; with defective teeth, 24; treated and given dental certificates, 17. The work done was as follows: Temporary fillings 2, permanent fillings 8, temporary extractions 4, permanent extractions 0, cleaning 4.

I thank you, Mr. Gifford, Dr. Segur, the teachers, and the parents who cooperate with me in establishing permanent health, the value of which can never be estimated.

CATHERINE LUCILLE AUSTIN, R. N.

School Nurse

DOROTHY P. KING

School Committee of Greenwich

Town Warrant

COMMONWEALTH OF MASSACHUSETTS
HAMPSHIRE, SS.

*To either of the Constables of Greenwich,
County of Hampshire,*

GREETING:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the town of Greenwich, qualified to vote in elections and town affairs, to meet in their town hall in said Greenwich on Monday, the 12th day of February, A. D. 1934, at ten o'clock in the forenoon, then and there to act on the following articles, viz:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To bring in their votes for the following officers: town clerk, treasurer, one selectman, assessor, board of welfare, one school committee, one cemetery commissioner, two library trustees, all for three years, two library trustees for two years, auditor, tax collector, two constables, tree warden, three surveyors of wood and lumber, one director of Hampshire County Extension Service, two library trustees, all for one year.

Art. 3. To choose all other necessary town officers for the year ensuing.

Art. 4. To receive the reports of the town officers and act thereon.

Art. 5. To raise such sums of money as may be necessary to defray town charges the ensuing year, and make appropriations for the same.

Art. 6. To fix the salary of the Tax Collector.

Art. 7. To see if the town will vote to authorize the treasurer, with the approval of the selectmen, to borrow money in anticipation of the revenue of the financial year beginning January 1, 1934, and to issue a note or notes therefor, payable within one year, any debts incurred under this vote to be paid from the revenue of said financial year.

Art. 8. To see if the town will vote to authorize the selectmen to defend all suits at law that may be brought against the town the ensuing year, or act in relation thereto.

Art. 9. To see if the town will vote to pay a proper charge of a bonding company for acting as surety on the official bond of any town officer.

Art. 10. To see if the town will vote to set the price of a slaughter house license, or act in relation thereto.

Art. 11. To see if the town will vote to raise and appropriate a sum of money to retread surface of tarred roads, State and County to assist as heretofore.

Art. 12. To see if the town will vote to direct the selectmen to appoint a committee of three or more citizens to cooperate with the Massachusetts Forest and Park Association in the detection and eradication of the Dutch Elm disease, or act in relation thereto.

Art. 13. To transact any other business that may legally come before this meeting.

The polls will be open at ten o'clock and may be closed at two o'clock in the afternoon.

And you are directed to serve this warrant by posting attested copies at the postoffice and the store in Greenwich seven days at least before the time of meeting aforesaid.

Given under our hands this 27th day of January A. D. 1934.

H. D. CRANE

E. S. GREENE

R. C. WALKER

Selectmen of Greenwich

Monday, November 11

Thursday, November 28 Schools close Wed. noon until Monday

Report of Superintendent of Schools

To the School Committee of Greenwich:

I desire to submit this my first report as Superintendent of Schools in Greenwich. It will be brief, covering as it does but four months of the year 1934, with some suggestions as to the year just beginning.

I would call attention to the reports of the School Nurse and Music Supervisor, as going more into detail in regard to the work of their various departments; and also to the detailed statement of School Department expenditures and receipts printed in full herewith.

PERSONNEL

No change took place during the year 1934 in the regular teaching force. This is fortunate because some loss is inevitable due to readjustments always necessary with personnel changes. The Greenwich Village pupils were fortunate in having some special drawing instruction during about half of the past year. Mr. Jacob Levenson acted as Art Supervisor and accomplished excellent results in the work, the children benefiting greatly by his teaching.

SCHOOL WORK

An effort is being made to strengthen the work in English in the upper grades. A brief Course of Study in technical grammar, with an accompanying guide to the Diagram Analysis of sentences, has been introduced and should with proper use prove

helpful in those grades, and by strengthening the ground work there, send the pupils on into High School with better preparation to cope with all phases of English work in the latter school. Courses in the other fundamental subjects will be put into use during the present year.

HIGH SCHOOL

One Greenwich pupil is attending the Agricultural Department in New Salem Academy this year, and eleven pupils are enrolled in Belchertown High School. The first marking period in the latter school, in addition to eleven A's in conduct, showed the following distribution:

Marking ranges	60-69	70-79	80-89	90-100
Marks	2	4	28	9

While the above represents only the beginning of the year's work, it augurs well for the year as a whole.

HEALTH

No phase of school work deserves more careful attention, in my opinion, than does the health of the children. Only with good health is real happiness possible. Poor teeth, for instance, have perhaps caused more discomfort and through that, poor school attendance with its consequent interference with good school accomplishment, than any other one health factor. Not only that, but poor teeth, because of their effect upon personal appearance alone, have caused a great deal of unhappiness with its resultant feeling of inferiority and loss of self-respect and self-confidence on the part of many pupils so afflicted. Dental Clinics, Pre-school Clinics, Eye and Ear testing, School Physician's and Nurse's examinations, Toxin-Antitoxin and Tuberculin testing take a great deal of time and effort on the part of all in any way engaged in their administration, but they are all well worth while. I wish to compliment the parents upon the way in which they cooperate with us in all these efforts to promote the health of the children, and thereby, their happiness and success.

CONCLUSION

In closing this report, I wish to thank all who are in any way connected with the schools for the cordial spirit of cooperation shown to the Superintendent of Schools upon his coming, so recently a stranger, among you.

Respectfully submitted,

WILLIAM A. NICKERSON

Superintendent of Schools

Report of Supervisor of Music

To the Superintendent of Schools:

The mission of all art is to develop a fineness of feeling and to stimulate the highest type of idealism. The development of this idealism in each child will make for a better individual and thereby a better home and society.

Music is now recognized as a universal human need because it appeals to the qualities that are universal in one's nature. The life and happiness of a democracy are dependent upon the ideas of its people. Music helps to inculcate idealism, and regenerates the spiritual and social life of man.

Music education of every child should begin with singing. The study of a keyed instrument does not require tone thinking, whereas singing does. Properly to begin a music education should require tone thinking. Singing brings the child into vital contact with the art of music. It affords him another medium of self expression.

Many thanks to those who in any way have made the past year both pleasant and profitable.

Respectfully submitted,

JOHN T. BONE

Music Supervisor

Report of School Nurse

To the Superintendent of Schools:

I hereby submit my report as school nurse in the town of Greenwich for the year of 1934.

Thirty-eight visits were made to schools and five visits to homes.

Communicable diseases reported:

Chicken-pox	2
Mumps	1
Impetigo	1
Ring-worm	1

The pupils were weighed and were given individual health inspection five times during the year. The parents were notified of the gain or loss as the case might be.

Health instructions in matters vital to the welfare of the pupils were given by the teachers, assisted by the school nurse.

In May the annual Child Health Day exercises were held. Health tags issued by the Massachusetts Department of Public Health were awarded as follows:

11 Physically fit tags to those having no physical defects,
6 Teeth tags to pupils presenting dental certificates,
and 16 Improvement tags for improvement in weight, posture or health habits.

At the summer round-up in June complete physical examinations were given to five pre-school children. The parents were notified of the defects found.

In October the annual physical examinations were given the pupils by Dr. Segur, school physician, assisted by the school nurse. The report follows:

Number of pupils examined	28
Number with defects	19
Defects found:	
Posture	1
Teeth	19
Throat	8
Nose	1

Notices of the defects found were sent to the parents.

In November a dental clinic under the auspices of the Hampshire County Chapter of the Red Cross was held. Dr. Glade P. Hall was the dentist. The clinic report follows:

Number of children examined	26
Number of children found with dental defects	19
Number of children receiving care from clinic dentist	9
Number of cleanings	2
Number of fillings	9
Number of silver nitrate treatments	6

It is pleasing to note that none of the extractions were permanent teeth and that denotes fine cooperation in the homes.

I wish to thank you, Mr. Nickerson, the teachers, parents and pupils for cooperation given me in the health program during the past year.

CATHERINE L. AUSTIN, R. N.

School Nurse

Town Warrant

COMMONWEALTH OF MASSACHUSETTS
HAMPSHIRE, SS.

*To either of the Constables of Greenwich,
County of Hampshire,*

GREETING:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the town of Greenwich, qualified to vote in elections and town affairs, to meet in their town hall in said Greenwich on Monday, the 11th day of February, A. D. 1935, at ten o'clock in the forenoon, then and there to act on the following articles, viz:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To bring in their votes for the following officers: one selectman, assessor, and board of welfare, one school committee, one cemetery commissioner, two library trustees, all for three years; one library trustee for one year; auditor, tax collector, two constables, three surveyors of wood and lumber, director of Hampshire county extension service, all for one year.

Art. 3. To choose all other necessary town officers for the year ensuing.

Art. 4. To receive the reports of the town officers and act thereon.

Art. 5. To raise such sums of money as may be necessary to defray town charges the ensuing year, and make appropriations for the same.

Art. 6. To fix the salary of the Tax Collector.

Art. 7. To see if the town will vote to authorize the treasurer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1935, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Art. 8. To see if the town will vote to authorize the selectmen to defend all suits at law that may be brought against the

town the ensuing year, or act in relation thereto.

Art. 9. To see if the town will vote to pay a proper charge of a bonding company for acting as surety on the official bond of any town officer.

Art. 10. To see if the town will vote to set the price of a slaughter house license, or act in relation thereto.

Art. 11. To see if the town will vote to raise and appropriate a sum of money for retread on tarred roads, state and county to assist as heretofore.

Art. 12. To see if the town will vote to appropriate a sum of money for the pruning of dead wood from the elms and for the removal of any dead or dying elms on the public streets, or act in relation thereto.

Art. 13. To see if the town will vote to appropriate a sum of money to purchase a truck, or act in relation thereto.

Art. 14. To see if the town will vote to close Quabbin Lake to winter fishing for a period of three years, or act in relation thereto.

Art. 15. To vote on the question: Shall the operation of Sec. 105B of Chap. 131 of the general laws, requiring for the taking of fur-bearing animals the use of traps that kill at once or take alive unharmed, be suspended within this town.

Art. 16. To transact any other business that may legally come before this meeting.

The polls will be open at ten o'clock and may be closed at two o'clock in the afternoon.

And you are directed to serve this warrant by posting attested copies at the postoffice and the store in Greenwich seven days at least before the time of meeting aforesaid.

Hereof fail not and make due return, with your doings thereon, to the town clerk on or before the time of meeting aforesaid.

Given under our hands this 28th day of January, 1935.

1937

First Winter Term	7 weeks
Monday, January 4, to Friday, February 19	
New Salem will follow the same calendar with the following exceptions:	
Spring Term closes Friday, June 26, 1936	

HOLIDAYS OCCURRING IN TERM TIME IN 1936

Wednesday, January 1	Monday, October 12
Wednesday, November 11	Thursday, November 26 (Schools close Wednesday noon until Monday)

Report of Superintendent of Schools

To the School Committee of Greenwich:

I desire to submit this, my second annual report as Superintendent of Schools in Greenwich. Accompanying it will be found reports by the School Nurse and Supervisor of Music, statistical reports, and a complete statement of School Department expenses and receipts for the entire year.

A comparison of average memberships in our two schools for the past four school years may be of interest and is as follows:

					Sept.—Dec.
	1931-32	1932-33	1933-34	1934-35	1935
Village	19.11	14.09	9.72	11.14	7.42
Plains	12.04	16.93	19.80	15.98	17.72
	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>
	31.15	31.02	29.52	27.12	25.14

The following table shows the cost of elementary school support for the fiscal years most nearly corresponding to the above school years; and state reimbursements with resultant net cost to the town:

Year	School Cost	Reimbursement	Net Cost
1932	\$4,690.91	\$1,281.03	\$3,409.88
1933	4,685.74	807.05	3,878.69
1934	4,551.98	783.32	3,768.66
1935	4,385.21	659.59	3,725.62

While there has been an appreciable reduction in actual school costs since 1932, the cost per pupil in net average membership for the past school year (1934-1935) was \$137. as compared with per pupil costs of \$109., \$125., and \$127., in the three preceding school years, respectively. These increased per capita costs for the past school year are due to two factors; (1) decline in membership, and (2) lack of tuition-paying pupils such as state wards, there having been no such pupils during the past two school years, and therefore no income from that source.

The tables and other data given above show that, while there has been a falling off of 61% in average membership at the Village School, the present membership at the Plains School is a little above the average for the past four years. In view of the above figures and of the fact that the Village School site in all probability will be taken within the present year into the construction operations of the Metropolitan Water Commission, it seems wise to plan to continue only the Plains School after June, 1936. Pupils of grades 5, 6, 7, 8 will also be accommodated at the latter school.

Thirteen Greenwich pupils are now attending High Schools in other towns. In September, there were fifteen such pupils enrolled, fourteen in Belchertown and one in New Salem. Two pupils, Patricia Blanchard and Frank Nicholson, moved away from town in November, reducing the number attending Belchertown High to twelve--two freshmen, two sophomores, two juniors, four seniors, and two post-graduates.

The distribution of marks attained by these pupils, from September to December, follow:

Marking ranges	50-59	60-69	70-79	80-89	90-100
Belchertown	2	6	37	47	9
New Salem		1	4	3	

Since five of the marks in the lowest brackets were attained by but one pupil and the other four by three other pupils, it will be

seen that almost all of the pupils are doing good and passable work.

Beginning in November, transportation of pupils by the School Committee was extended to include, in conformity with state requirements, all pupils living more than two miles from the schools attended. This move increased the cost of transportation furnished to some extent, but is bearing fruit in better attendance and in a larger measure of comfort in the case of the small number of children involved. It seems to be working out in a satisfactory manner.

Early in 1935 a new Music Series (The Music Hour, a Silver, Burdett & Co. publication) was put into use in both schools. To date it is giving satisfaction to all, the children, teachers, and to Mr. Bone. A number of other text-books including arithmetics were purchased to replace old and worn out copies, during the year. The arithmetics were new editions of the same book which we were already using, The Modern Arithmetic, by Clark-Otis-Hatton, a World Book Co. publication. Books are now, with few exceptions, in very good condition.

Respectfully submitted,

WILLIAM A. NICKERSON,

Superintendent of Schools

Report of Supervisor of Music

204 Pleasant St.,
Orange, Mass.
Jan. 28, 1936

Dear Mr. Nickerson:

Music has been a part of people as far back as records indicate. In olden days, and to some extent in the present, many have thought that musical instruction meant preparing one person who had special talent in music for that specific phase of the art in which that person was most interested. Public school music is for the masses. It is all-inclusive rather than exclusive. Music classes have all children just as the other subjects have them. There is no aim to make master musicians of all who study music. Even the English classes do not make all pupils writers or dramatists. We endeavor to teach the child the bit of philosophy summed up in the following lines:

"Use what talent you possess. The woods would be silent if no birds sang except those that sing best."

In spite of the numbers of boys' voices in the Village school, all of which are subject to change at any time, I am pleased to report much interest and an earnest effort on the part of these boys to give of their best. A substantial number coming from the Plains school in September has aided materially in accomplishing these results.

The work at the Plains school continues to go on in a most satisfactory manner.

I feel that the year has been both profitable and pleasant, and may I express my appreciation to all who have made it so.

Respectfully submitted,

JOHN T. BONE

Supervisor of Music

Report of School Nurse

Mr. William Nickerson
Superintendent of Schools
Dear Sir:

I hereby submit my report as school nurse in the town of Greenwich for the year of 1935.

Visits to schools	42
Visits to homes	17

The pupils were weighed five times during the year. The parents were notified of the gain or loss of the children through the medium of the weight card.

Each child was given individual health inspection five times during the year and even more frequently when a condition was found which demanded close follow-up on the part of the nurse.

In May a toxin-anti-toxin clinic for the prevention of diphtheria was held at the Greenwich Plains school. Twenty-six children were given the three injections.

In October the Chadwick clinic held a Von Pirquet test to determine whether the school children had been infected with the tubercle bacillus. Then those who reacted positively (there were but two) were X-rayed, and if the X-ray proved suspicious a thorough physical examination followed. It was found that only one child was suspicious of tuberculosis.

Twenty-three school children and two pre-school children were given this test.

The audiometer, an instrument for testing the hearing with the greatest degree of accuracy, was used in the Greenwich schools this year. Twenty-seven children were examined and all had excellent hearing.

The annual physical examinations were given the school children by Dr. Segur, school physician, assisted by the school nurse. The report was as follows:

Number of pupils examined	23
Defects found:	
Throat	6
Nose	1
Glands	5
Heart	1

A notice of each child's defects was sent the respective parents.

The school dentist has not yet examined the children's teeth.

I wish to thank you, Mr. Nickerson, Dr. Segur, the teachers, parents, and school children for the loyal cooperation and assistance given me in the health program.

Respectfully submitted,

CATHERINE L. AUSTIN, R. N.

Town Warrant

COMMONWEALTH OF MASSACHUSETTS
HAMPSHIRE, SS.

*To either of the Constables of Greenwich,
County of Hampshire,*

GREETING:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the town of Greenwich, qualified to vote in elections and town affairs, to meet in their town hall in said Greenwich on Monday, the 10th day of February, A. D. 1936, at ten o'clock in the forenoon, then and there to act on the following articles, viz:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To bring in their votes for the following officers: one selectman, assessor, and board of welfare, one school committee, one cemetery commissioner, two library trustees, all for three years; one library trustee for one year; auditor, tax collector, two constables, three surveyors of wood and lumber, director of Hampshire county extension service, all for one year.

Art. 3. To choose all other necessary town officers for the year ensuing.

Art. 4. To receive the reports of the town officers and act thereon, printer's errors excepted.

Art. 5. To raise such sums of money as may be necessary to defray town charges the ensuing year, and make appropriations for the same.

Art. 6. To fix the salary of the Tax Collector.

Art. 7. To see if the town will vote to authorize the treas-

urer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1936, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Art. 8. To see if the town will vote to authorize the selectmen to defend all suits at law that may be brought against the town the ensuing year, or act in relation thereto.

Art. 9. To see if the town will vote to pay a proper charge of a bonding company for acting as surety on the official bond of any town officer.

Art. 10. To see if the town will vote to use the 1935 Surplus Machinery fund for the use and expenses for machinery upkeep in 1936.

Art. 11. To see if the town will vote to raise and appropriate a sum of money for retread on tarred roads, state and county to assist as heretofore.

Art. 12. To see if the town will vote to appropriate a sum of money for the pruning of dead wood from the elms and for the removal of any dead or dying elms on the public streets, or act in relation thereto.

Art. 13. To see if the town will vote to appropriate a sum of money to purchase a truck, or act in relation thereto.

Art. 14. To transact any other business that may legally come before this meeting.

The polls will be open at ten o'clock and may be closed at two o'clock in the afternoon.

And you are directed to serve this warrant by posting attested copies at the postoffice and the store in Greenwich seven days at least before the time of meeting aforesaid.

Hereof fail not and make due return, with your doings thereon, to the town clerk on or before the time of meeting aforesaid.

Given under our hands this 28th day of January, 1936.

Monday, January 3, to Friday, February 18	

NEW SALEM ACADEMY will follow the same calendar with the following exception:

Spring term closes Friday, June 25, 1937

HOLIDAYS OCCURING IN TERM TIME, 1937

Monday, April 19	Tuesday, October 12
Monday, May 31 (Observed for the 30th)	
Thursday, November 11	
Thursday, November 25, and day following. (Schools close at noon Wednesday until Monday for Thanksgiving recess)	

Report of Superintendent of Schools

To the School Committee and Citizens of Greenwich:

I desire to submit this, my third annual report as Superintendent of Schools in Greenwich, along with reports by the School Nurse and Supervisor of Music. Also I submit the usual statistical reports of attendance, etc., and a complete financial report showing receipts and expenditures by the School Department for the year 1936.

The period from January to June, inclusive, was uneventful. Upon the closing of schools in June, however, the school building at the Village was torn down, its site to become a part of the construction project. The School Board held a public hearing for the discussion of school plans for the fall term. The consensus of opinion seemed to be that it was advisable to keep the necessary school rooms open in Greenwich for the elementary children of the town as long as possible. The committee decided to confer with the Metropolitan District Water Supply Commission as to its willingness to prepare a room at the Plains suitable for school purposes. The Commission agreed to prepare Grange Hall for such a purpose at no expense to the townspeople. This was done, and in September all the children were housed at the one building at the Plains. This plan has worked out in a generally satisfactory manner, grades one to four, inclusive, being taken care of downstairs and grades five, six, seven and eight, upstairs.

Both Miss Margaret E. Gurney and Miss Bessie A. Wickam, after five years' successful teaching in Greenwich schools, were

elected, during the summer to positions elsewhere. Miss Gurney went to Clarksburg, Mass., and Miss Wickam to Concord, Mass. These two vacancies were filled, respectively, by the election of Miss Marion Davis, a graduate of the four-year course at Framingham State Teachers' College, and Miss Gertrude Harty with like training at Fitchburg State Teachers' College, both of whom have taken up their work for the Greenwich pupils with enthusiasm.

Three Greenwich boys enrolled in September at New Salem Academy, taking the agricultural course there. Two of these boys are undergraduates and one is enrolled as a postgraduate. There are six boys and girls enrolled as undergraduates at Beichertown High, two of whom will graduate in June, and one girl doing postgraduate work.

A new History series was introduced in grades five, six, seven and eight, in September. These replace (or rather, supplement) "Essentials in American History," by Evans, a book long in use in Greenwich. The new series consists of two books, one, "From Then Until Now," by Greenan and Cottrell, for grades five and six, and the second, "Our American Heritage," by Coyle and Evans, for grades seven and eight. It is, perhaps, too early to draw conclusions as to their effectiveness, but their style and subject-matter seem to have an appeal for the students.

In conclusion, I wish to thank the committee, the teachers, and all who have in any way aided our schools to attain a measure of success during the past year.

Respectfully submitted,

(Signed) WM. A. NICKERSON,

Superintendent of Schools

Report of Supervisor of Music

To the Superintendent of Schools:

The unsettled conditions in the valley naturally reflect themselves in our school work. The continually decreasing population and the attendant decrease in membership makes our work in music somewhat more individual than collective. However, the results of this work at graduation time were, we believe, highly commendable.

In September of this year we introduced classes in piano playing, a plan which has been successful and adopted by many school systems all over the country. The class lesson is not intended to take the place of individual lessons on this, the basic of all instruments. It does, however, give parents an inexpensive way of ascertaining the musical desires and capabilities of their children. The plan requires the pupil to pay a modest fee for each lesson. Some have already availed themselves of this plan, and it is hoped that more will do so in the near future. As yet we have not required the added expense of purchasing study books and other material, but would suggest that as soon as the pupil shows sufficient interest, the added expense of this material is recommended. We should be glad to confer further with parents interested in this plan.

The pupil of tomorrow will be confronted with the problem of much leisure time. What he does in this leisure time will have just as much to do with determining what he becomes and his value to the state, as what he may do during his work hours.

May I suggest increased activities in things of a musical nature as one answer to this apparent problem of the future?

My sincere thanks to all for continued cooperation.

Respectfully submitted,

JOHN T. BONE

Report of School Nurse

Mr. William Nickerson
Superintendent of Schools
Dear Sir:

I hereby submit my report as substitute school nurse in the town of Greenwich from Oct. 1, 1936 to Jan. 8, 1937.

School Visits	7
Home Visits	5

A complete physical examination had been given by Dr Segur, the school physician, in September, assisted by Miss Austin. The children were weighed and measured twice since October. Health talks were given on personal cleanliness, the importance of good posture, rest and diet.

All of the children were given individual health inspection. Home visits were made to children who were ill, and also when a child came to school in an unsatisfactory manner.

A number of children are taking cod liver oil during the winter months and seem to be profiting by it. The children were all urged to take C. L. O., if possible.

No contagion since October 1 has been reported, which is very satisfying.

I wish to thank Mr. Nickerson, Dr. Segur, the teachers, parents and pupils who have contributed in making the health program more successful.

Respectfully submitted,

CATHERINE B. NICHOLS, R. N.,

School Nurse

Town Warrant

COMMONWEALTH OF MASSACHUSETTS
HAMPSHIRE, SS.

*To either of the Constables of Greenwich,
County of Hampshire.*

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the town of Greenwich, qualified to vote in elections and town affairs, to meet in their town hall in said Greenwich on Monday, the eighth day of February, A. D. 1937, at ten o'clock in the forenoon, then and there to act on the following articles, viz:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To bring in their votes for the following officers: one selectman, assessor, board of welfare, for three years; one selectman, assessor, board of welfare for one year; one school committee for three years; one treasurer for three years; one tax collector for one year; one auditor for one year; two library trustees for three years; one library trustee for two years; two constables for one year; one tree warden for one year; three surveyors of wood and lumber for one year; one cemetery commissioner for three years; one director Hampshire County extension service for one year.

Art. 3. To choose all other necessary town officers for the year ensuing.

Art. 4. To receive the reports of the town officers and act thereon, printer's errors excepted.

Art. 5. To raise such sums of money as may be necessary to defray town charges the ensuing year, and make appropriations for the same.

Art. 6. To fix the salary of the Tax Collector.

Art. 7. To see if the town will vote to authorize the treasurer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1937, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Art. 8. To see if the town will vote to authorize the selectmen to defend all suits at law that may be brought against the town the ensuing year, or act in relation thereto.

Art. 9. To see if the town will vote to pay a proper charge of a bonding company for acting as surety on the official bond of any town officer.

Art. 10. To see if the town will vote to use the 1936 Surplus Machinery fund for the use and expenses for machinery upkeep in 1937.

Art. 11. To see if the town will vote to raise and appropriate a sum of money for retread on tarred roads, state and county to assist as heretofore.

Art. 12. To see if the town will vote to appropriate a sum of money for the pruning of dead wood from the elms and for the removal of any dead or dying elms on the public streets, or act in relation thereto.

Art. 13. To see if the town will vote to appropriate a sum of money to purchase a snow plow, or act in relation thereto.

Art. 14. To transact any other business that may legally come before this meeting.

The polls will be open at ten o'clock, and may be closed at two o'clock in the afternoon.

And you are directed to serve this warrant by posting attested copies at the postoffice and the store in Greenwich seven days

at least before the time of meeting aforesaid.

Hereof fail not and make due returns, with your doings thereon, to the town clerk on or before the time of meeting aforesaid.

Given under our hands this 19th day of January, 1937.

Figure 1 consists of two maps. Map (a) is a larger-scale map showing the location of the study area within a broader region. It includes a scale bar from 0 to 100 km and a north arrow. Map (b) is a more detailed map of the study area, showing the location of the study area within a smaller region. It includes a scale bar from 0 to 10 km and a north arrow. Both maps include a legend.

Tuesday, April 19	Wednesday, October 12
Monday, May 30	Friday, November 11
Thursday, November 24, and day following. (Schools close at noon Wednesday until Monday for Thanksgiving recess.)	

Report of Superintendent of Schools

To the School Committee and Citizens of Greenwich:

The following is my fourth annual report as superintendent of Schools in Greenwich. Accompanying it are the reports of the School Nurse and Supervisor of Music, and also the usual financial and statistical reports.

HOUSING

Grange Hall has worked out fairly satisfactorily as a class room, and having all the elementary pupils in one building has been a distinct benefit to all the pupils from a social point of view, as well as in the regular conduct of the school.

THE TEACHERS

Both the Misses Marion Davis and Gertrude Harty resigned in June after one year of good service, to accept positions in other school systems, the former in Stoughton and the latter in Pelham. Miss Helen B. McMullen, of Newton, a graduate of Framingham State Teachers' College, was elected to fill the position made vacant by the resignation of Miss Davis, and Miss Ann Connor, of Holyoke, a graduate of Westfield State Teachers' College, was elected to succeed Miss Harty. Both began work in September.

HIGH SCHOOL PUPILS

Greenwich pupils enrolled in various High Schools this year are as follows:

Elmer Thresher	Sophomore	New Salem Academy
Robert Johnston	Senior	Belchertown High
Raymond Johnston	Senior	Belchertown High
Donald Walker	Junior	Belchertown High
Robert Doubleday	Freshman	Belchertown High
Elwyn Doubleday	Post Graduate	Belchertown High
Lois Doubleday	Post Graduate	Amherst High

I believe that all of these pupils are profiting by the opportunities offered them of securing a high school education. I believe, too, that the two pupils taking post-graduate work at Belchertown High and Amherst High, respectively, are worthy of special commendation, an opinion based on comments made by the principals of the two schools.

CONCLUSION

At the time of writing this report, it looks as if said report may be the last to be written by a superintendent of schools, as such, in Greenwich. For this reason and for other more personal ones, I wish to thank everyone connected with the schools, committee members, parents, teachers, and pupils, for their uniform courtesy to, and cooperation with the present superintendent. I wish also to commend the townspeople for the interest which they have apparently always taken in their schools, and in the progress and physical, mental, and moral welfare of the pupils--their children.

My good wishes to all for the future.

Respectfully submitted,

WILLIAM A. NICKERSON,

Superintendent of Schools

Report of Supervisor of Music

To the Superintendent of Schools:

We are approaching the turn of a century of public school music in the United States, it being just ninety-nine years since Lowell Mason, noted educator and musician, introduced the study of music into the public schools at Boston. The movement, then on trial, spread rapidly to other cities and finally to smaller communities. Today, everyone believes that music contributes to finer living. And everyone agrees that the children of rural communities deserve all the advantages which today are offered in city schools.

The day of isolation of rural communities is past. Good roads, modern transportation, telephones, and the radio have brought all parts of the country into neighborly proximity. Educators are studying the contribution of the various school subjects to better living. Among these subjects, music takes an important place and one which educators now recognize as essential to modern school life. Our schools are finding the music lesson one of the chief joys and inspirations of the day.

In its last analysis, the value of music in the school may be measured to a considerable degree by the effect it has on the whole community. His music studies are of slight worth to the child unless he grows to feel that music is an interesting and enjoyable part of life, associated with his deeper life experiences, enriching them, and enlarging and refining his emotional re-

actions to the world about him.

Our objective in the schools in Greenwich has been to contribute our very best to develop this very feeling toward music. The townspeople have had opportunity to be the judges of these results from the various public appearances made by the children; and we are very grateful for the helpful comments received.

In closing I wish to express my appreciation to all who have helped in any way to make my term as music supervisor in the Town of Greenwich both profitable and pleasant.

Respectfully submitted,

JOHN T. BONE,

Supervisor of Music

Report of School Nurse

*Mr. William A. Nickerson,
Superintendent of Schools,
Greenwich, Massachusetts.*

My dear Mr. Nickerson:

I submit the following report as school nurse in Greenwich for the year of 1937.

Visits to schools	21
Visits to homes	15
Skin diseases reported:	
Scabies	1

This year for the first time no annual summer round-up was held in Greenwich, due to the fact that there were no children entering the first grade in September in this town.

In July, the annual dental clinic was held for pupils in Greenwich. Dr. Glade P. Hall was the school dentist. The report follows:

Pupils examined	24
Number without defects	6
Number attending clinic	2
Number fillings, permanent	10
Cleanings	2

The annual physical examinations were given the pupils by the school physician, Dr. Willard B. Segur. Report follows:

Number of children examined	25
Number of children without defects	9
Number of children with all defects corrected since last examination	3
Defects found:	
Teeth	5
Nose	1
Throat	5
Glands	3

A new form of physical defect notice, recommended by the State Department of Public Health, has been sent to the parents. This type of form has the advantage of allowing the parents to secure recommendations from the nurse or school physician, Dr. Willard B. Segur, and give the nurse information concerning what action on the defect found the parents plan to take. Also, new forms for the physical defects of the pupils in each classroom have been given every teacher so that they might better know the physical status of the pupils. The individual pupil's physical record forms furnished by the State do not permit a full report of the home visits made by the school nurse to the child. In order that there might be a continuity of health education in every visit the nurse makes to various homes a new type of report, the "Family Folder System" is being used.

A daily hot dish is served by the teachers in the Greenwich schools to supplement the lunches brought from home by the pupils.

Health instructions are given regularly to the pupils by the teacher assisted by the school nurse.

Many of the valuable improvements in the health program during the past year could not possibly have been achieved were it not for the assistance, the cooperation, and support of all individuals connected with the school personnel.

Respectfully submitted,

CATHERINE LUCILLE AUSTIN, R. N.

Town Warrant

COMMONWEALTH OF MASSACHUSETTS HAMPSHIRE, SS.

*To either of the Constables of Greenwich,
County of Hampshire,*

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the town of Greenwich, qualified to vote in elections and town affairs, to meet in their town hall in said Greenwich on Monday, the fourteenth day of February, A. D. 1938, at ten o'clock in the forenoon, then and there to act on the following articles, viz:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To bring in their votes for the following officers: one selectman, assessor, board of welfare, for three years; one school committee for three years; one tax collector for one year; one auditor for one year; two library trustees for three years; two constables for one year; one tree warden for one year; three surveyors of wood and lumber for one year; one cemetery commissioner for three years and one cemetery commissioner for two years; one director Hampshire County extension service for one year.

Art. 3. To choose all other necessary town officers for the year ensuing.

Art. 4. To receive the reports of the town officers and act thereon, printer's errors excepted.

Art. 5. To raise such sums of money as may be necessary to defray town charges the ensuing year, and make appropriations for the same.

Art. 6. To fix the salary of the Tax Collector.

Art. 7. To see if the town will vote to authorize the treasurer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1938, and to issue a note or notes therefor

payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Art. 8. To see if the town will vote to authorize the selectmen to defend all suits at law that may be brought against the town the ensuing year, or act in relation thereto.

Art. 9. To see if the town will vote to pay a proper charge of a bonding company for acting as surety on the official bond of any town officer.

Art. 10. To see if the town will vote to use the 1937 Surplus Machinery fund for the use and expenses for machinery upkeep in 1938.

Art. 11. To see if the town will vote to raise and appropriate a sum of money for retread on tarred roads, state and county to assist as heretofore.

Art. 12. To see if the town will vote to appropriate a sum of money for the pruning of dead wood from the elms and for the removal of any dead or dying elms on the public streets, or act in relation thereto.

Art. 13. To transact any other business that may legally come before this meeting.

The polls will be open at ten o'clock, and may be closed at two o'clock in the afternoon.

And you are directed to serve this warrant by posting attested copies at the postoffice and the store in Greenwich seven days at least before the time of meeting aforesaid.

Hereof fail not and make due returns, with your doings thereon, to the town clerk on or before the time of meeting aforesaid.

Given under our hands this 18th day of January, 1938.

STANWOOD R. KING
CYPRIAN W. URACIUS
GEORGE E. SMITH

Selectmen of Greenwich

A true copy attest: Cyprian W. Uracius, Constable.
